CLIENT CONSENT & SAFETY PACKET

Master intake, informed consent, service-specific forms, photo release, aftercare and incident documentation

Private Beauty • Body • Wellness Studio

IMPORTANT BUSINESS USE NOTICE

This packet is a customizable business template, not legal or medical advice. A signed waiver does not replace proper licensure, sanitation, insurance, competent practice, or emergency procedures. Have a Georgia attorney, your professional-liability insurer, and the appropriate licensing/health authority review the final forms before use.

Use only the service-specific form for services you are legally qualified and authorized to perform.

Packet includes: Master Client Intake & Consent; Yoni Steam Ritual; Lymphatic Massage; Wood Therapy; Sauna Wrap; Teeth Whitening; Lash Extensions; Brow Lamination; Microblading; Ear Candling Safety Notice; Optional Photo/Media Release; Aftercare Acknowledgment; Adverse Event/Incident Report.

Version: September 2026

☐ Teeth Whitening ☐ Lash Extensions ☐ Brow Lamination ☐ Microblading ☐ Ear Candling

Health & Safety Screening

Please check YES if any item applies and explain below. This information is used only to determine whether a service should be modified, postponed, or declined.

- ☐ YES ☐ NO Pregnant, possibly pregnant, trying to conceive, or recently postpartum
☐ YES ☐ NO Allergy/sensitivity to herbs, botanicals, adhesives, latex, pigments, cosmetics, metals or fragrances
☐ YES ☐ NO Active infection, fever, contagious illness, rash, open wound, sores, sunburn or skin irritation
☐ YES ☐ NO Recent surgery, medical procedure, injectable, peel, laser treatment or dental procedure
☐ YES ☐ NO Heart/circulatory condition, uncontrolled blood pressure, fainting, heat intolerance or blood-clot history
☐ YES ☐ NO Diabetes, impaired sensation, neuropathy, seizure disorder or condition affecting healing
☐ YES ☐ NO Prescription medicines, blood thinners, retinoids, steroids or other medicines relevant to the service
☐ YES ☐ NO History of severe allergic reaction or prior adverse reaction to a similar service

Details / medications / allergies / relevant medical information:

General Informed Consent

I have disclosed information I know to be relevant to the requested service. I understand that Beauty By BLOW may postpone, modify, stop, or decline a service when a contraindication, safety concern, scope-of-practice issue, or unexpected reaction is identified.

I understand that cosmetic and wellness results vary and no specific result is guaranteed. Beauty By BLOW services are not a substitute for diagnosis or treatment by a physician, dentist, gynecologist, or other licensed healthcare professional.

I understand I may ask questions and may withdraw consent or ask that a service be stopped at any time.

Assumption of Disclosed Risks & Release

I voluntarily choose the service(s) identified above and accept the ordinary and disclosed risks associated with them. To the fullest extent permitted by applicable law, I release Beauty By BLOW, B.L.O.W By Shari, and their owners, employees, contractors and authorized representatives from claims arising solely from ordinary disclosed risks or from material health information I knowingly fail to disclose. This provision does not waive rights or liabilities that cannot lawfully be waived, including liability that applicable law does not permit a business to disclaim.

Emergency Authorization

If an unexpected reaction or emergency occurs, I authorize the service to be stopped and emergency medical assistance to be contacted when reasonably necessary. I understand that third-party medical expenses are my responsibility.

Client Certification

I have read this form, understand it, had an opportunity to ask questions, and voluntarily consent to the selected service(s).

YONI STEAM RITUAL - INFORMED CONSENT

A non-medical, optional external botanical steam ritual offered for relaxation and personal self-care. It is not represented as a treatment, detoxification, fertility service, vaginal cleansing, hormone treatment, or cure for any condition.

Pre-Service Screening

- ☐ YES ☐ NO Pregnant, possibly pregnant, trying to conceive, or recently gave birth
- ☐ YES ☐ NO Currently experiencing vaginal/vulvar burning, unexplained bleeding, sores, active infection, unusual discharge or significant irritation
- ☐ YES ☐ NO Recent pelvic/gynecologic surgery, procedure, IUD insertion/removal, miscarriage or abortion for which a clinician has not cleared heat/steam exposure
- ☐ YES ☐ NO Reduced heat sensation, neuropathy, heat intolerance, or history of burns from heat treatments
- ☐ YES ☐ NO Known allergy/sensitivity to any herb or botanical in the selected blend

If YES to any item, explain: _____

Known / Foreseeable Risks

- Steam or hot equipment can cause burns to delicate vulvar/perineal skin.
- Herbs, fragrances or heat may cause irritation, allergy or discomfort.
- Vaginal steaming has no established medical benefit and may disrupt the vaginal environment; equipment that is not properly cleaned may contribute to infection risk.

Client Acknowledgments

- ☐ I understand the steam is external and I will immediately report excessive heat, burning, dizziness, pain or irritation.
- ☐ I understand the vagina is self-cleaning and this ritual is not medically necessary.
- ☐ I have been told the herbs in my selected blend and may decline any ingredient.

Aftercare / Stop-Service Instructions

- Stop immediately for burning, pain, dizziness, bleeding or irritation.
- Seek medical care for persistent or severe symptoms.
- Do not use the ritual as a substitute for evaluation of infection, abnormal bleeding, pelvic pain or other gynecologic symptoms.

I understand the information above, have had the opportunity to ask questions, and voluntarily consent to this service.

LYMPHATIC MASSAGE - INFORMED CONSENT

A hands-on massage/bodywork service. Perform only when the provider holds every license/authorization required for the service in the location where it is offered.

Pre-Service Screening

- ☐ YES ☐ NO Fever, active infection, cellulitis or acute illness
- ☐ YES ☐ NO Known/suspected blood clot, DVT, pulmonary embolism or clotting disorder
- ☐ YES ☐ NO Uncontrolled heart failure, serious cardiac condition, or unexplained swelling
- ☐ YES ☐ NO Active cancer treatment or recent surgery without appropriate clinician clearance where indicated
- ☐ YES ☐ NO Kidney disease or other condition for which fluid shifts/massage have been restricted
- ☐ YES ☐ NO Pregnancy or postpartum status requiring modification/clearance

If YES to any item, explain: _____

Known / Foreseeable Risks

- Temporary soreness, tenderness, bruising, lightheadedness, fatigue or increased urination may occur.
- Massage may be inappropriate for certain acute infections, clots, cardiovascular conditions or recent procedures.

Client Acknowledgments

- ☐ I understand this is not medical diagnosis or treatment.
- ☐ I understand I can request pressure, positioning or draping changes and can stop the session at any time.
- ☐ I understand no promise of weight loss, detoxification or treatment of disease has been made.

Aftercare / Stop-Service Instructions

- Hydrate normally and rise slowly after the session.
- Report unusual pain, swelling, shortness of breath, chest pain or other concerning symptoms and seek urgent medical care when appropriate.

I understand the information above, have had the opportunity to ask questions, and voluntarily consent to this service.

WOOD THERAPY - INFORMED CONSENT

A cosmetic/body-contouring massage technique using shaped wooden tools. It does not permanently remove fat, cause medical weight loss, or treat disease.

Pre-Service Screening

- ☐ YES ☐ NO Blood thinners, bleeding disorder, easy bruising or active clotting concern
- ☐ YES ☐ NO Varicose veins, inflamed veins, open wounds, rash, infection, recent surgery or significant skin sensitivity in treatment area
- ☐ YES ☐ NO Pregnancy or recent procedure requiring modification/clearance
- ☐ YES ☐ NO Implants, hernia, unexplained lump, severe pain or condition in the proposed treatment area

If YES to any item, explain: _____

Known / Foreseeable Risks

- Bruising, redness, tenderness, temporary swelling, skin irritation or soreness may occur.
- Excessive pressure can injure soft tissue; treatment should stop if sharp pain, numbness or significant discomfort occurs.

Client Acknowledgments

- ☐ I understand results vary and may be temporary.
- ☐ I will communicate pressure and discomfort throughout the session.
- ☐ I understand this service is cosmetic and not a treatment for obesity, lymphedema or medical conditions.

Aftercare / Stop-Service Instructions

- Avoid additional aggressive massage over bruised/tender areas until resolved.
- Contact a healthcare professional for severe pain, persistent swelling, significant bruising or neurological symptoms.

I understand the information above, have had the opportunity to ask questions, and voluntarily consent to this service.

SAUNA WRAP - INFORMED CONSENT

A heat-based wellness service intended for relaxation. It is not a detoxification treatment, weight-loss treatment, or treatment for disease.

Pre-Service Screening

- ☐ YES ☐ NO Pregnant or possibly pregnant
- ☐ YES ☐ NO Heart disease, uncontrolled blood pressure, history of fainting, heat intolerance or serious circulatory condition
- ☐ YES ☐ NO Fever, dehydration, acute illness, alcohol/intoxicant use today
- ☐ YES ☐ NO Diabetes/neuropathy or reduced ability to sense heat
- ☐ YES ☐ NO Medication or medical condition that impairs sweating, hydration or temperature regulation

If YES to any item, explain: _____

Known / Foreseeable Risks

- Overheating, dehydration, dizziness, fainting, headache, nausea, skin irritation or burns can occur.
- Temporary water-weight changes are not fat loss.

Client Acknowledgments

- ☐ I will report excessive heat, dizziness, nausea, weakness, chest discomfort or shortness of breath immediately.
- ☐ I understand I may end the session at any time.
- ☐ I understand hydration and heat tolerance vary by individual.

Aftercare / Stop-Service Instructions

- Hydrate normally before and after the session.
- Stop heat exposure and cool down if unwell.
- Seek urgent care for fainting, chest pain, confusion, severe shortness of breath or persistent concerning symptoms.

I understand the information above, have had the opportunity to ask questions, and voluntarily consent to this service.

TEETH WHITENING - INFORMED CONSENT

A cosmetic tooth-whitening service intended to lighten the appearance of natural teeth. It does not diagnose or treat dental disease.

Pre-Service Screening

- ☐ YES ☐ NO Untreated cavities, cracked teeth, exposed roots, severe gum disease, mouth sores or active oral infection
- ☐ YES ☐ NO Known peroxide/whitening-product sensitivity or prior severe whitening reaction
- ☐ YES ☐ NO Recent oral surgery/dental procedure or severe unexplained tooth pain
- ☐ YES ☐ NO Pregnant or nursing and advised by a clinician/dentist to avoid whitening
- ☐ YES ☐ NO Crowns, veneers, bonding, fillings or other restorations in visible areas

If YES to any item, explain: _____

Known / Foreseeable Risks

- Temporary tooth sensitivity and gum/soft-tissue irritation may occur.
- Whitening affects natural tooth structure differently from crowns, veneers, bonding and fillings, which may create uneven color.
- Results vary based on starting shade, staining, dental condition and habits.

Client Acknowledgments

- ☐ I understand whitening is cosmetic and does not replace dental examination or cleaning.
- ☐ I understand restorations may not whiten.
- ☐ I will stop and report significant burning or pain.

Aftercare / Stop-Service Instructions

- Avoid products specifically restricted by the whitening system's manufacturer.
- Use sensitivity toothpaste if appropriate and discontinue further whitening if significant sensitivity persists.
- See a dentist for severe/persistent pain, gum injury or other dental concerns.

I understand the information above, have had the opportunity to ask questions, and voluntarily consent to this service.

LASH EXTENSIONS - INFORMED CONSENT

A cosmetic application of individual or grouped lash extensions using adhesive near, but not inside, the eye.

Pre-Service Screening

- ☐ YES ☐ NO Current eye infection, conjunctivitis, stye, significant eye irritation or recent eye surgery
- ☐ YES ☐ NO Known allergy/sensitivity to lash adhesive, cyanoacrylate, tape, pads or cosmetic products
- ☐ YES ☐ NO Active dermatitis, broken skin or severe seasonal/allergic eye symptoms
- ☐ YES ☐ NO History of significant reaction to lash extensions

If YES to any item, explain: _____

Known / Foreseeable Risks

- Eye watering, redness, irritation, dermatitis, swelling, allergic reaction, natural-lash damage or infection may occur.
- Reactions can occur even after previous uneventful applications.

Client Acknowledgments

- ☐ I will keep my eyes closed as instructed and report burning or discomfort immediately.
- ☐ I understand extensions require maintenance and improper pulling/removal can damage natural lashes.
- ☐ I understand a patch test cannot guarantee that a later reaction will not occur.

Aftercare / Stop-Service Instructions

- Do not pull or pick extensions; use recommended removal procedures.
- Follow the adhesive/system-specific aftercare instructions provided.
- Seek prompt medical attention for severe swelling, eye pain, vision changes or breathing difficulty.

I understand the information above, have had the opportunity to ask questions, and voluntarily consent to this service.

BROW LAMINATION - INFORMED CONSENT

A cosmetic chemical service that temporarily redirects and sets eyebrow hairs.

Pre-Service Screening

- ☐ YES ☐ NO Known allergy/sensitivity to perming/lamination products, dyes or cosmetics
- ☐ YES ☐ NO Broken, irritated, sunburned, infected or recently exfoliated/peeled skin around brows
- ☐ YES ☐ NO Recent retinoid use, peel, laser, waxing or other procedure that has made the area unusually sensitive
- ☐ YES ☐ NO Prior significant reaction to brow lamination

If YES to any item, explain: _____

Known / Foreseeable Risks

- Redness, irritation, dryness, chemical burn, allergic reaction, hair breakage or uneven result may occur.

Client Acknowledgments

- ☐ I understand results and longevity vary.
- ☐ I will report burning or significant discomfort immediately.
- ☐ I understand patch testing, when performed, does not guarantee absence of a later reaction.

Aftercare / Stop-Service Instructions

- Follow the product-system aftercare provided by the practitioner.
- Avoid picking or aggressive exfoliation over irritated skin.
- Seek medical attention for severe swelling, blistering, eye involvement or breathing difficulty.

I understand the information above, have had the opportunity to ask questions, and voluntarily consent to this service.

MICROBLADING - INFORMED CONSENT

A body-art/cosmetic tattoo procedure in which pigment is implanted into the skin to create the appearance of eyebrow hair strokes. This form must be used only in conjunction with all Georgia/local body-art requirements, approved client evaluation, identification, sanitation, and written/verbal aftercare.

Pre-Service Screening

- ☐ YES ☐ NO Pregnant/nursing or advised by a healthcare professional to postpone body art
- ☐ YES ☐ NO Blood thinner, bleeding disorder, uncontrolled diabetes, immune suppression or condition affecting healing
- ☐ YES ☐ NO Active skin infection, dermatitis, psoriasis flare, acne lesion, open wound or sunburn in brow area
- ☐ YES ☐ NO History of keloid/hypertrophic scarring, pigment allergy or severe tattoo reaction
- ☐ YES ☐ NO Recent isotretinoin/retinoid use, peel, laser, injectable or brow procedure requiring postponement
- ☐ YES ☐ NO Blood-borne infection or other condition requiring additional precautions under applicable rules

If YES to any item, explain: _____

Known / Foreseeable Risks

- Pain, bleeding, swelling, bruising, infection, allergic reaction, scarring, pigment migration, color change/fading, asymmetry and unsatisfactory cosmetic result can occur.
- Pigment appearance changes during healing and results are not permanent; touch-ups may be needed.
- Removal/correction can be difficult, costly and incomplete.

Client Acknowledgments

- ☐ I am voluntarily obtaining this procedure and had the opportunity to read this form and ask questions.
- ☐ I understand written and verbal aftercare and agree to follow it.
- ☐ I understand no exact color, symmetry, retention or longevity is guaranteed.
- ☐ I understand additional identification/client-evaluation/recordkeeping requirements may apply and are separate from this form.

Aftercare / Stop-Service Instructions

- Follow the written aftercare supplied for the specific pigment/procedure.
- Do not pick scabs or healing skin.
- Seek medical care for spreading redness, pus, fever, severe swelling or other signs of infection/allergic reaction.

I understand the information above, have had the opportunity to ask questions, and voluntarily consent to this service.

EAR CANDLING - SAFETY NOTICE / SERVICE HOLD

Beauty By BLOW should NOT use a standard consent/waiver to make ear candling appear safe or medically effective. This page is intentionally a service-hold notice rather than a client consent form.

Reason for Hold

- Do not claim that ear candles remove earwax, toxins, infections or treat medical conditions.
- Before offering this service, obtain written confirmation from the applicable licensing authority and your professional-liability insurer that the service is within scope and covered.
- If the service remains on the menu, obtain attorney/insurer-approved informed-consent language addressing fire, burn, hot-wax and ear injury risks and establish a written emergency protocol.

Internal review completed by: _____ Date: _____

☐ Removed from service menu ☐ Cleared by licensing authority ☐ Cleared by insurer ☐ Attorney-approved consent attached

OPTIONAL PHOTO & MEDIA RELEASE

Photography permission is separate from treatment consent. Declining marketing photography will not affect eligibility for services.

Choose Your Permission

- ☐ RECORD ONLY - I authorize photographs/video solely for my confidential client record and treatment documentation.
- ☐ MARKETING - I authorize Beauty By BLOW / B.L.O.W By Shari to use selected photographs/video of my results for website, social media, portfolio, educational and promotional materials.
- ☐ DE-IDENTIFIED MARKETING ONLY - I authorize marketing use only when my face/name and other identifying features are not shown.
- ☐ NO PHOTO / VIDEO AUTHORIZATION.

Marketing Release Terms

If I select a marketing option, I understand that online content may be shared or copied by others after publication. I understand that no additional compensation is owed unless separately agreed in writing. I may revoke future use by written request, but revocation may not be able to retrieve materials already printed, distributed, reposted by third parties, or incorporated into completed campaigns.

GENERAL AFTERCARE ACKNOWLEDGMENT

Service received: _____ Date: _____

Provider-specific aftercare sheet / product instructions given: ☐ Written ☐ Verbal ☐ Both

General Instructions

- Follow the specific aftercare directions provided for your service and any manufacturer instructions applicable to products used.
- Do not continue a product or home-care step that causes significant burning, swelling, rash, severe pain or other concerning reaction.
- For severe allergic symptoms, breathing difficulty, chest pain, fainting, vision changes, severe burns, uncontrolled bleeding or other emergency symptoms, seek emergency medical care.
- Contact an appropriate licensed healthcare professional for persistent or worsening symptoms.

Client questions / special instructions:

I received and understand the aftercare instructions and had an opportunity to ask questions.
